Dear Thomas,

It is with great pleasure that I am writing to congratulate you on your successful completion of all requirements for *Teacher Certification in Mindfulness-Based Stress Reduction (MBSR)* conducted by the Center for Mindfulness in Medicine, Health Care, and Society at the University of Massachusetts Medical School in Shrewsbury, Massachusetts.

After a careful review of your submitted materials, the Certification Review Team was unanimous in their approval. They have recognized your expert grasp of the interventional elements of MBSR and, more so, your depth of understanding and embodiment of the foundational underpinnings of this approach.

As Executive Director of the Center for Mindfulness, I am a member of this review team. I whole-heartedly concur with the assessment and decision of my fellow members. We are honored to count you as a colleague and an MBSR professional.

Sincerely,
